January 2026

From the East

Happy New Year to the Brethren and families of Fellowship Lodge No. 236! I am deeply honored to have been chosen to lead our beloved lodge as we embark on a revitalization journey that will ensure our continued service to the communities of Flint and Davison for generations to come.

Every Brother—near or far, active or inactive—remains an essential part of our lodge and fraternity. We will make a concerted effort to reconnect with all of you through multiple channels of communication, including text, email, newsletters, and mail. My commitment is that you will always know what to expect at our regular communications at least two weeks in advance, along with travel opportunities available up to the publication date of each newsletter.

As we begin this new Masonic year, our work will be guided by the timeless tenets of Brotherly Love, Relief, and Truth. Revitalization begins with conferring degrees in a professional and memorable manner. To achieve this, I ask each Brother to recommit to the obligation to “improve himself in Masonry” through disciplined study of the ritual and active participation in lodge activities. Officers will be paired with Past Master/DDI mentors to support ritual proficiency, but true progress begins with each of us committing to incremental improvement.

We are blessed to continue a meaningful philanthropic program that supports distressed Brothers, widows, orphans, and community organizations. I look forward to reporting our charitable goals and successes for 2026 in future issues.

Equally important, fellowship opportunities will abound this year. Whether visiting the Detroit Masonic Temple, traveling to the George Washington National Masonic Memorial, celebrating Flag Day with family, or enjoying an evening of Bourbon and Cigars with Brothers, there will be something for everyone. I warmly invite you to join us and experience lodge renewal firsthand.

Your input is vital. Please complete the survey you received—either by mail or electronically—within the next week. The results will be compiled and shared with the lodge, helping us shape our activities for the next 1–3 years.

In closing, I extend heartfelt thanks to all Brethren, with special appreciation to our honorary members who continually lend their support. I look forward to strengthening our bonds of brotherhood and ensuring that every Brother remains connected to Fellowship Lodge No. 236 and to our ancient fraternity.

Fraternally yours,

Todd Lamb
Worshipful Master
